

ROLE PROFILE

DUBAI OPERA

“Every single member of our organization adds a great value. Emaar is not a collection of talented individuals, but a team of great pooled talent.” – Mohamed Alabbar

ABOUT THE COMPANY

Emaar Properties is one of the world’s most valuable and admired real estate development companies. With proven competencies in properties, shopping malls & retail and hospitality & leisure, Emaar shapes new lifestyles with a focus on design excellence, build quality and timely delivery.

Emaar Development is the UAE build-to-sell property development business of Emaar Properties, responsible for iconic master-planned freehold communities in Dubai including Emirates Living, Downtown Dubai, Dubai Marina and Arabian Ranches. Emaar development has a high-quality land bank of 170 million square foot gross area for build to sell properties in the UAE, which at an average development rate is expected to service at least 12 years of sales.

Located in the heart of the prestigious Downtown Dubai, is The Dubai Mall, the world’s largest and most-visited retail and entertainment destination. The Dubai Mall offers an unparalleled retail mix combined with world-class dining, entertainment and leisure attractions.

ABOUT THE ROLE

Function: Dubai Opera

Department: Technical – Stage operations – Automation

You will play a crucial role in ensuring the smooth execution of stage performances and events. Primary tasks will include operating & programming the automation control system, rigging and operational duties. You will work within a dynamic team, responsible for managing and operating various technical aspects of live shows, concerts, theater productions, and events hosted at Dubai Opera

ABOUT THE FUNCTION

Dubai Opera is a state-of-the-art, multi-format performing arts venue located in the heart of Dubai, United Arab Emirates. Opened in 2016, it is a significant architectural landmark known for its distinctive dhow-shaped design, reminiscent of the traditional sailing vessels of the region. Dubai Opera has quickly established itself as a significant cultural and entertainment destination, attracting both locals and tourists with its diverse program offerings and iconic architectural design.

PERFORMANCE DRIVEN CULTURE: WHAT WILL YOU BE MEASURED AGAINST

- Operation of all staging control systems, automation, and motorized systems. Rigging truss, equipment, scenery, and structures on motorised systems
- Willingness to undertake work associated with other job roles in the stage department, including stage hand, technician, props and management duties as required

- Certifications in relevant technical areas (e.g., automation control systems) would be advantageous.
- 5+ years proven and relevant experience ideally with 2-3 years experience in an automation role
- Previous experience in a similar role within the entertainment industry or theater productions is highly preferred.
- Problem-Solving Skills: Ability to think quickly and troubleshoot technical issues efficiently, especially during live performances
- Willingness to work irregular hours, including evenings (overnight), weekends, and holidays, as dictated by the event schedule
- Attention to Detail: Meticulous attention to detail to ensure accurate execution of cues and technical requirements for each production.
- Adaptability: Ability to adapt to changes and work well under pressure in a fast-paced, live event environment.

ROLE PROFILE

DUBAI OPERA

WHAT WE BELIEVE IN

At Emaar, our DNA lays the foundation for everything we do. It forms the base of how we serve our customers, how we speak with one another, and the way we move forward in every decision we make. In short, it is the essence of who we are and how we communicate.

Customer Focus

Customers are our number one priority. We take pride in delivering on our promises and above all we value the trust they place in us to deliver flawless products, services and experiences.

Ownership Mindset

No detail is too small, no challenge is too big and no ambition is too great. We drive efficiency and effectiveness into every corner of our business, so we are fit for the future and to compete.

Fast Paced

Speed is everything in business. We evolve and adapt quickly and have the willpower, skills, knowledge and passion needed to deliver extraordinary speed for our customers.

Talent and Tenacity

Our people are heroes, superhumans and warriors. We are a team of great pooled talent that dream big and act quickly, with high energy and positivity.

Adaptability

We keep up with the times, disrupting and challenging the status quo. We challenge conventional wisdom and ourselves, we expect the unexpected, and we develop products and services that reflect the future.
