The Ulster Orchestra strives to be fully representative of all demographical aspects of society and to offer a truly inclusive working environment. Within this context we particularly encourage applications from people with disabilities, LGBTQI+, Black, Asian and other global majority backgrounds, and those from backgrounds of social and economic deprivation.

All our Orchestra jobs are managed through Musical Chairs, so applications should not be sent directly to the Ulster Orchestra. We have outlined our recruitment process in detail for your information below.

Please note, this position was originally advertised in June 2023, however the position was not filled. As this is a readvertisement we are using an amended process which will employ a pre-audition shortlisting stage.

Stage 1: Application

Upload your anonymised Curriculum Vitae to Musical Chairs by **12th February 2025**. No applications will be accepted after the stated closing date.

For avoidance of doubt, please remove your name and any other identifying personal information from your CV before submitting.

You will also be required to complete a monitoring form which is completely anonymous and provides us with important data to support our Diversity & Inclusion strategy.

Stage 2: Shortlisting

The panel will shortlist all anonymised CVs received by the stated closing date using the essential and desirable criteria stated above.

Stage 3: Live Audition

If you are shortlisted for audition, you will receive the full audition repertoire which will comprise of Mozart Concerto mvt 1 exposition and Debussy premiere rhapsody, beginning until figure 6 (both required) plus excerpts.

We will be holding one round of live, screened auditions in **Belfast** and you will be given the choice of two dates:

- Tuesday 15th April
- Monday 28th April

In the interests of transparency, where candidates evidence an exceptional level of professional orchestral experience in equivalent positions, an audition may be facilitated during a patch of guest work.

Stage 4: Trial

If you are successful at the audition stage, you will be invited to complete an initial trial of **3 weeks**. The trial may include the following key aspects subject to the schedule:

- rehearsals and performance at a core season concert;
- opportunity to play chamber music and/or perform excerpts with orchestra;
- participation in a learning and community engagement project;
- participation in a digital project; and
- completion of a live audition

As we know this can sometimes be a daunting experience, you may request a point of contact within the orchestra during your trial for support, reassurance and to give you an insight into the real-life experience of working in the Ulster Orchestra and, for those who will potentially be relocating, living in Northern Ireland. The point of contact will not be a member of the panel and is therefore independent of the process.

After the initial trial stage, if a decision has not been reached, you may be invited for a further trial patch. You may be given panel feedback at this stage to assist you.

The trial will aim to include all aspects of the role including core season concerts, pops concerts, regional concerts, learning and community engagement, digital projects and chamber music depending on schedules. An informal meeting with members of the management team may also be scheduled during your trial. This will provide you with an opportunity to ask the questions which are important to you, to hear about the values and expectations of the Orchestra and to learn about how we will support you in your future career through our greatest asset of all – the rich diversity of our work and repertoire.

Stage 5: Permanent Contract

If you are successful at the trial stage, you will be offered a permanent position with the Orchestra with a **probation period of up to 12 months**. The Orchestra Manager will meet with you after 5 and 9 months to provide feedback on your progress and to provide you with an opportunity to discuss how you are finding the first year.

Please note, to be able to fulfill all aspects of the position, including Learning & Community engagement activities, you must ensure you live within reasonable commuting distance of Belfast.

The appointment will be made on merit with openness and transparency of process.

NB. We have a legal responsibility to ensure that all our employees have the legal right to live and work in the UK. It is a condition of any offer of employment we make to you that you have, or gain, permission to work in the UK. By law, you will not be able to start working for us until you are able to provide evidence that this permission has been granted.

*If you don't already have the legal right to work in the UK, we strongly recommend that you use the **Home Office website** to review the legal requirements of working in the UK as this will give you an indication of whether you may be eligible to work in the UK under the Points Based System (PBS) for immigration.*

OUR HISTORY

Music Director Laureate **Daniele Rustioni**
 Honorary Principal Guest Conductor **Jac van Steen**
 Conductor Laureate **Rafael Payare**
 Artist Laureate **Sir James Galway**

Leader **Ioana Petcu-Colan**

Founded in 1966, the Ulster Orchestra has been at the forefront of musical life in Northern Ireland and the Orchestra's full-time musicians form the region's only professional symphony orchestra.

In 2019, the Ulster Orchestra appointed Daniele Rustioni as its Chief Conductor, a role which commenced at the start of the Orchestra's 2019/20 Season, and in 2022/23, in recognition of the strength of the relationship, he was appointed the Orchestra's Music Director. Rustioni's tenure ended with the 2023/24 season, and he joins a distinguished line of past principal conductors including Bryden Thomson, Vernon Handley, Yan Pascal Tortelier, Dimitry Sitkovetsky, Thierry Fischer, Kenneth Montgomery, JoAnn Faletta and, most recently, Rafael Payare.

With a mission to enrich the lives of people living in Northern Ireland, those visiting, and those who encounter it through international touring and regular radio and TV broadcasts with both BBC Northern Ireland and BBC Radio 3, the Orchestra strives for excellence in all it undertakes, be it regular concert performances, learning and community engagement programmes, or creative collaborations across the arts.

The Ulster Orchestra gives around 40 evening and lunchtime concerts each season in its home, the Ulster Hall, and in Belfast Waterfront. The Orchestra performs for the BBC Radio 3 invitational concert series at the Ulster Hall and in front of tens of thousands for the BBC's Proms in the Park celebrations each year. The Orchestra appears regularly at the main BBC Proms series in the Royal Albert Hall, and its 2022 appearance with Daniele Rustioni and Louise Alder received widespread excellent reviews, including a 5 star review in *The Guardian*: "*The qualities that characterise [Rustioni's] work in the theatre – flair, intelligence, an immaculate sense of pace, tension and drama – also very much formed the basis of an exceptional concert that found him and his orchestra on terrific form.*" (Tim Ashley, *The Guardian*).

An important aspect of the Ulster Orchestra's work across Northern Ireland is its annual touring programme of concerts, which brings live orchestral music to the heart of communities across the region. *Ulster Orchestra On Your Doorstep*, was founded in the 2016/17 Season (the Orchestra's 50th Anniversary Season) and it sees the orchestra play in as diverse a range of venues as possible across Northern Ireland, sending everything from small ensembles and chamber music concerts, right up to the full symphony orchestra, far and wide across the region. In addition to our local tours, we also travelled to Linz, Austria in 2022 and 2024 for performances at the renowned Brucknerhaus Concert Hall and also performed at Festival Berlioz in France in August 2023.

The Orchestra performs with several regular partners, including Northern Ireland Opera, Belfast International Arts Festival and Belfast Philharmonic Choir. A partnership was established in 2016 between the Ulster Orchestra and the club night Lush!, and the ensuing arena event Lush! Classical has been a hugely successful and popular concert every year since.

The Ulster Orchestra records regularly for labels such as Hyperion (with Howard Shelley), Naxos (with former Chief Conductor JoAnn Falletta), Chandos, SOMM and Toccata Classics. The Orchestra's most recent recording of Weill's Violin Concerto and Second Symphony on SOMM records continues to garner international critical acclaim since its release early in 2022. Through partnering with organisations such as NI Screen, the Orchestra has undertaken various recording activities for film and TV, including the internationally-renowned children's series 'Puffin Rock'.

The Ulster Orchestra's Learning and Community Engagement programme aims to connect the Orchestra with communities and individuals across Northern Ireland and to provide accessible and innovative opportunities for people to engage as audiences and participants. Since 2016, all the Orchestra's musicians have been working on education and outreach activity, including Relaxed Performances for people with additional needs, residencies in schools and universities, concerts directly in people's communities, mentoring and coaching for players at all stages of their musical journey and the Crescendo project, the Orchestra's community-led residency project for children from disadvantaged areas in North and West Belfast. We have a long list of organisations that we work with, including Age NI, Autism NI, the Now Group, the Alzheimer's Society, the Belfast Trust Arts in Health programme, Community Arts Partnership, the Flax Trust, and Women's Aid.

Salon Sessions is an exciting new online project which takes small ensembles from the orchestra to unique and wonderful spaces. It also fulfils our passion to collaborate with and support local artists, offering them a platform to showcase their talents and what Belfast has to offer across the world. Each artist has their songs or poems arranged and performed by a variety of small ensembles of Ulster Orchestra musicians, recorded and filmed in inspiring, quirky, innovative locations culminating in a twenty minute professionally produced online 'session'. These are free to view by the public via the Orchestra's YouTube channel. To date, we have successfully collaborated with several artists including Ryan McMullan, Colum Sands, Niamh Dunne, Jordan Adetunji and our wonderful 'Your Song Now' project resulted in a successful album, *Our Songs, Our Place*, featuring original songs by nine local artists.

Thanks to everyone in the Ulster Orchestra family, we hold a unique place in the hearts of the people of Northern Ireland and we share a commitment to maintain and grow our success in the future.

OUR BENEFITS

Working in the arts and creative industries is a wonderful experience, and the UO is in the enviable position of being able to offer the security of a permanent employment to over 80 creatives.

While a salaried role is a benefit in itself, we are pleased to be able to offer more in terms of benefits. We have highlighted just a few of them below.

Family Friendly Policies

We aim to ensure that every employee feels supported and encouraged to have a healthy balance between work and home commitments.

School run, or early morning parkrun? No problem! With rehearsals typically starting at 10am, there's no need for breakfast clubs, and you can even get your daily exercise out of the way before work.

Our policies for **Maternity, Paternity, Adoption Leave & Shared Parental Leave** are generous and supportive, aimed at helping employees to balance their work and home life commitments, encouraging the retention of talent and experience, increasing well-being and thus reducing absence and stress.

We offer a **Career Break** policy after 3 years of service, to assist with work-life balance, e.g. To take time off for caring responsibilities, to go back to college, to go travelling and/or to accompany a partner on an overseas assignment.

Health & Wellbeing

We have a comprehensive **Wellbeing Policy** through which we aim to help our employees to stay fit and healthy and support them when they are ill.

Our **Health Cash Plan** is immediately available to all new joiners and provides cash back to cover costs such as dental and optical bills, physiotherapy and consultancy charges. It also provides access to a 24-7 helpline, virtual GPs and an online discount platform.

We have regular scheduled visits from a registered **Physiotherapist**, and all employees can book an appointment if needed. We also run free functional movement classes open to all employees.

All employees have regular access to a **BAPAM registered GP**, who is available to provide and referrals for any medical concerns.

We also know how important your ears are. When a player joins, they will have an appointment with **our contracted audiologist** to provide you with moulded hearing protectors, and we will arrange for you to have regular audiometric hearing tests.

We offer a **Cycle to Work** scheme to all employees, enabling you to save at least 25% of the cost of a new bike and spreading the cost over a 12-month period. Not only good for the environment but also helps you to stay fit and healthy by getting on your bike.

Holidays

Players - How does 5 weeks off in the summer sound to you? In addition, you will have a further 2 weeks off at other times in the year, so plenty of opportunity to enjoy those other important things in your life.

Induction

Upon joining the UO, all employees have a structured and comprehensive induction, to ensure all new joiners receive a consistent and positive experience and feel welcome, included and supported, from the point of job offer to the end of their probationary period.

Learning and Development

We believe in the importance of continuous learning and development and invest to support the growth and progression of our employees. This might be in the form of individual, confidential one to one coaching or group training sessions covering topics such as Resilience, Communications, Leadership etc. We also encourage personal and professional development through internal secondments and acting up opportunities as well as support towards relevant further academic and skills development programmes.

Loyalty Awards

We are delighted to have low turnover of our people, with the average length of service being 13.5 years. We thank our employees for their loyalty, by providing loyalty awards at various long service milestones.

Pensions

All employees are automatically enrolled into our company pension scheme and will benefit from our generous employer contributions (currently 6% p.a.). As we comply with government legislation regarding pensions, employees also currently contribute 2% p.a. All employees have access to the Orchestra's pension advisor for advice on their pension requirements.

Financial Support

Ulster Orchestra Society Ltd offers an interest-free loan scheme to support Orchestra players with the costs associated with purchasing and maintaining their instruments. All permanent orchestra players will be eligible to make an application for a loan, upon satisfactory completion of their probationary period. You may apply for a loan to cover all or part of the associated costs. The amount loaned will be capped at £10,000 per employee, within each financial year subject to availability of funds.

LIVING HERE

Anyone who lives here already will know that Northern Ireland offers a high quality of life. Small enough to get around easily (you can cross Northern Ireland by car in about 2 hours) but big enough to offer a great way of life and an amazing variety of experiences and activities. For those of you thinking about relocating, there are lots of brilliant reasons to consider living here.

People here are renowned as friendly and welcoming. Recent research conducted by Lloyds Banking Group for its annual Happiness Index in June 2020 placed Northern Ireland as the happiest place to live in the UK, with contentment levels here having increased by 6% on the previous year.

Northern Ireland has three airports (two of which are in the Greater Belfast area) with regular direct flights to the UK and Europe, and it is 2 hours by road or rail from Belfast to Dublin. Public transport is efficient and there is little congestion.

Northern Ireland offers a top-notch environment for living. In line with the rest of the UK, there is reasonable personal taxation, an excellent education system, a world-class healthcare system which is free and accessible to all and affordable properties.

More than 1100 international companies currently operate in Northern Ireland, including major US companies like Microsoft, AllState and Seagate, with IT a major industry sector. These companies have done their own research on living and working here, and it paints a clear picture of the benefits. Belfast is one of the most cost-effective cities in Western Europe to live in and TechNation research reports that Belfast is the best place to come to work as a software developer. The city ranked 2nd in the UK (behind London) and 9th overall in the Top 25 Tech Cities of the Future 2020/21, according to Global Outlook Tech Cities of the Future.

Property prices in Northern Ireland remain well below those in other UK locations and in the Republic of Ireland - around 75% lower than they are in London and 60% lower than Dublin. The majority of people living in Belfast and the surrounding area prefer to buy property rather than rent, and prices mean this is well within reach. Northern Ireland has reported the second-lowest crime rate in the UK for 2020 out of 43 nationwide police forces. As the top region with the lowest overall crime rate is the City of London (classed as a commercial area), this means Northern Ireland has the lowest residential crime rate in the UK.

For anyone thinking of relocating with a family, you'll be pleased to know that Northern Ireland is the top region in the UK for educational attainment, consistently coming out top at GCSE and A-Level exam level (the latter is equivalent to the US High School Diploma, the Republic of Ireland's Leaving Certificate and Scotland's Higher exams) and in 2019, 84.8% of Northern Ireland students achieved the three top grades at A-Level, compared to 75.8% in the rest of the UK.

Northern Ireland is developing as a progressive society, becoming ever-more multi-cultural and diverse. There are many organisations and networks whose remit is to support people from diverse cultural backgrounds and minority groups – we can direct you to the relevant people if this would help you to settle into life here.

If you're wondering about your leisure time, there is plenty to fill in your out-of-work hours. Northern Ireland's scenery is spectacular and between mountains and dramatic coastlines, you're spoilt for choice when it comes to locations for outdoor activities from hiking to water-sports such as paddle-boarding and fishing - or even just a spectacular drive along the Antrim Coast. The food and restaurant scene is of international quality and - besides Ulster Orchestra concerts - there are so many arts and cultural events and festivals, from pub backroom traditional sessions to international touring stars, you're bound to find something to appeal to your tastes.
