### MUSIC FESTIVAL IN UUSIKAUPUNKI

#### MASTERCLASSES AT CRUSELL MUSIC FESTIVAL 2025

Crusell Music Festival in Uusikaupunki, Finland, is one of the few festivals in the world focused around woodwind instruments. Next summer the festival will take place July 28-August 3. In addition to fantastic chamber music concerts, Crusell Music Festival organizes annual masterclasses. We are proud to present some of the world's finest woodwind artists and pedagogues as our teachers each year. In 2025 the Crusell Music Festival will organize masterclasses for flute, oboe, clarinet, and bassoon. In addition to the masterclasses, the festival will host flute, clarinet and bassoon courses, aimed for both younger and older woodwind enthusiasts and students.
