Choral Summer Academy

20 July – 26 July 2024, Künstlerhaus Boswil, Switzerland

Course Director: Paul Phoenix

Assistant Director: Matthias Rajczyk

Join our Summer Choral Academy 2024, with two-time Grammy winner, renowned tenor, choral and vocal coach and former member of the 'King's Singers', Paul Phoenix, along with internationally acclaimed choral director Matthias Rajczyk.

The Boswil International Choral Summer Academy brings together singers to form a unique choir. We study a diverse programme (including some 'choral favourites', back by popular demand!), which will be performed in the closing concert on Friday July 26th.

The course focuses on vocal development, choral singing technique as well as performance and presentation skills. It is designed for singers with a reasonable choral/vocal experience and up to 6 singers of each voice part may be accepted to form a balanced choir (acceptance in chronological order of registration, minimum 15 singers).

The Künstlerhaus Boswil is a centre for classical music offering concerts and diverse educational programmes. This heritage-protected venue is located in a picturesque landscape overlooking the Alps and provides guesthouse services.
