

BAC Global Alexander Technique Conference

March 27th-30th

Join the Balance Arts Center in our first global conference on the Alexander Technique and Performing Arts. BAC graduates from all over the world are coming together to present workshops in their field of expertise to help artists improve their technical and presentation skills.

Conference Features:

- Over 40 workshops available!
- Presenters are BAC graduates from all over the world!
- Private lessons are available with the option to add your specific focus or interest.
- Conference Passes are available for discounted participation.
